

The Relationship of Henry County 4-H, Henry County Junior Fair & Henry County Senior Fair Board

It is the 4-H program and its volunteers' responsibility to help educate its members and their families as to the relationship of the program and the county fair. 4-H does not solely signify "FAIR" (or Junior Fair) nor does "FAIR" solely signify 4-H. The Henry County Fair serves as a showcase for Henry County youth participating in **4-H, FFA, Boy Scouts, Girl Scouts, and Farm Bureau Youth**. Fair provides the opportunity for youth to exhibit the results of their project efforts and to compete for awards and prizes under the Junior Fair Division of the fair. Participation at the county fair is NOT required for completion of a 4-H project although it is strongly encouraged for the member as a means of recognition. Exhibiting at the fair IS required in order to receive a premium for projects exhibited.

The Henry County Junior Fair Board, which is comprised of 4-H, FFA, Boy Scout, Girl Scout, and Farm Bureau Youth organization representatives, is the group that helps the Henry County Agricultural Society in preparing for and putting on the Junior Fair Division activities at the Henry County Fair. After the county fair, board members evaluate the fair and make any necessary Junior Fair program changes with the approval of the Henry County Senior Fair Board.

Please review the Junior Fair section of this handbook for the GENERAL RULES & REGULATIONS concerning the Junior Fair Division of the Henry County Fair. Those Rules & Regulations for the various specie departments can be found following the 4-H Livestock Project Area. Any updated information concerning the Junior Fair (after this handbook is printed) can be found in the Henry County Fair Premium Book that is printed by the Northwest Signal in June.

What is Henry County Junior Fair?

Henry County Junior Fair is the showcase of projects completed by youth involved in FFA, 4-H, Boy Scouts, Girl Scouts, and Farm Bureau Youth. The Junior Fair program is part of the Henry County Fair, which is organized and administrated by the Henry County Agricultural Society (a.k.a. Henry County Senior Fair Board).

The fair provides the opportunity for youth to exhibit the results of their project efforts, to have a project evaluated by a hired judge, to compete for awards and prizes. Participation at the county fair is not required for project completion, although it is strongly encouraged. Participation is required, however, to receive a premium. Rules and regulations for the Junior Fair are designed to promote maximum educational experiences. They are created, in part, by the Junior Fair Board along with the Senior Fair representatives.

What is the Henry County Junior Fair Board?

The Junior Fair Board is comprised of **FFA, 4-H, Boy Scouts, Girl Scouts, and Farm Bureau Youth** representatives. These board members are 14-18 years of age and have the primary responsibility of coordinating and implementing the Junior Fair portion of the Henry County Fair. Representatives learn and practice leadership and other life skills through their experiences serving on the board.

Responsibilities include assisting with project judging, pen assignment, animal weigh-ins, announcing and recording of Junior Fair Show results, answering questions of Junior Fair youth and the general public and carry out special activities at the fair and more! Members evaluate the Junior Fair program yearly and seek ways to provide quality programming for Junior Fair exhibitors. Junior Fair Board members make suggestions and rules regarding the Junior Fair with ultimate approval made by the Henry County Senior Fair Board. Each organization involved in the Junior Fair Board may select their representatives to the Board by their own method. The board organizes itself in October for the upcoming year.

Junior Fair Auxiliary

The Henry Co. Junior Fair Auxiliary is an opportunity for participation in work-related duties/responsibilities that encompass the Junior Fair Program throughout the year when the pool of applicants outnumbers the vacant representative slots on the Henry Co. Junior Fair Board. The opportunity to serve on the Auxiliary is to be viewed as an opportunity to gain experience and knowledge of the Board's responsibilities but does not guarantee a spot on the board the following year. SECTION II: LIVESTOCK RULES & REGULATIONS

A. OWNERSHIP: All animals taken as livestock projects must be owned by and in the possession of the respective member of his/her parents or guardian. Projects not in possession at the residence of the member must be approved by the member's advisor or Extension Educator, 4-H. Exception: Standard livestock leasing agreements are valid and will be accepted in the case of horse, dairy cattle, and beef breeding cattle project animals. In accordance with the Ohio State Fair and Henry County Fair regulations, all animals exhibited must have been actually owned or cared for by the individual exhibitors on or before the designated possession dates as listed in each department's section (and in the 4-H Family Handbook).

1a: Ownership of an animal will be considered lost if the animal has been consigned or sold through an auction or any other transaction after the previously stated possession date.

1b: Switching of animals or purchasing of animals after the respective possession date will result in the offending family being ineligible for Junior Fair competition for a period of one year.

B. IDENTIFICATION: Weigh-In and Identification of project animal(s) are required for all Junior Fair market projects and rabbits. All animals are registered, weighed-in, and tagged/tattooed on the Weigh-In/I.D. Day as listed in each department's section (and on the livestock requirement at-a-glance listing). Members who are unable to transport their project animal/s to the appropriate Weigh-In/ID event or have a legitimate conflict in scheduling (NOT SOLEY FOR CONVENIENCE), must make other arrangements prior to the scheduled id date. Such arrangements include: a Junior Fair Board Advisor tagging said animal/s for a \$25.00 fee at the member's home/location of animal. Additional tags \$5.00 each; Tattooing of rabbits include a \$25.00 fee regardless of the number of rabbits.

C. OHIO DEPARTMENT OF AGRICULTURE REQUIREMENTS As determined by the Henry Co. Agricultural Society:

2:Drug use notification forms (901-19-06) are required for **MARKET** beef, sheep, swine, goats, poultry, rabbits, lactating dairy cows and lactating dairy goats. These forms must be completed and turned in as animals are weighed (Wednesday). 3: Showing/Exhibiting: It is recognized that 4-H, FFA, Boy Scouts, Girl Scouts, Farmers Union, and Farm Bureau Youth (a.k.a. Junior Fair participants) can develop positive relationships between parent and child. It is beneficial to have youth organization members and their parents work together to accomplish goals. The Ohio Dept. of

Agriculture has Ohio's Livestock Tampering Exhibition Rules for exhibitors to follow, that must be adhered to locally. For this reason, actual work on a member's project must be completed and exhibited by the member involved. Fitting, trimming, and otherwise preparing an animal for show must be the responsibility of the youth who is the member of 4-H, FFA, Boy Scouts, Girl Scouts, or Farm Bureau Youth. Although parents, club leaders and others may offer advice and guidance, work done on Junior Fair animals at the fairgrounds must be completed

by the youth involved. No exhibitor shall enter an animal in a competition in the Henry County Junior Fair that has been handled, fitted, groomed, shown, or exhibited by another person other than the registered member of the exhibitor's immediate family (parents, grandparents, aunts, uncles, brother, sister) or another Junior exhibitor while on the Henry County Fairgrounds during the fair. Each exhibitor showing an animal shall register the name of the person/s from the immediate family or who will be helping him or her. A registration form with those eligible to assist the Junior Fair exhibitor must be turned in Wednesday (haul in day) upon arrival at the fairgrounds.

*No exhibitor, their family or any party involved in unethical practices shall be permitted to exhibit at the Henry County fair, having been banned for disciplinary or ethical reasons from other county, independent or state fair for a period commensurate with the ban.

In any Junior Fair livestock show, no adults other than assigned ring people will be allowed in the show arena/area to provide any verbal or physical assistance. Exception to this rule will be made on an individual basis in regard to permanent/temporary disabilities of an exhibitor and/or in case of multiple projects being exhibited in one class.

Exhibitors are required to turn in a completed Fitting Assistance Form by Wednesday 8pm in cases where the member will be assisted by a family member with the fitting of their animal.

E. Tampering, Unethical Practices, or Misrepresentation:

- 1: Tampering and/or misrepresentation as to breeding, age, ownership, or other irregularity in showing will be considered fraud and deception. Any premiums, trophies, awards, or sale money will be withheld if the exhibitor is proven to have tampered or misrepresented his/her project animal.

SECTION III: LIVESTOCK SALE RULES & REGULATIONS

A. General Rules & Regulation of the Sale

1. Henry County Junior Fair Livestock shows are partial TERMINAL shows (901-19-02). This means all market animals exhibited (market lambs, market steers, market goats, market hogs, broilers, turkeys, market ducks, meat pen of rabbits, single roaster, and market geese) must be consigned for slaughter or market in accordance to this administrative code.

2. The exhibitor or parent must be present as their animal/s are being loaded out. Times for load-outs if other than during sale will be posted two days prior to the sale.

3. All market projects must be sold. One animal per exhibitor may be sold in the sale ring. In case of multiple market projects, only one animal will go through the sale ring. The other market animal(s) **MUST** be consigned to market at the appraised price OR it may go custom slaughtered/processed by the exhibitor (as long as the owner has made prior arrangements for custom). In the latter case, the animal must leave the fairgrounds and go directly to the slaughter house.

4. In cases of multiple Grand Champion(s) and/or Reserve Grand Champion(s) owned by a single exhibitor both animals through the sale ring. The exhibitor shall designate which animal he/she will keep the proceeds. The exhibitor will receive the market value of the second Grand/Reserve Grand Champion animal that goes through the sale ring. 6. Animals that are sold in the sale ring will be consigned MARKET or CUSTOM SLAUGHTER. "Market" indicates the buyer does not want the animal personally and thus, the animal goes to market. "Custom" indicates that the buyer wants the meat and therefore will pay the value of the meat plus the amount over market value that they bid and the animal goes to their prearranged processing facility.

7. All exhibitors must wear appropriate show attire (according to their specie) for the livestock sale.

B. Sale animal Rotation: Sale order rotates yearly with the first specie sold the previous year moving to the bottom of the rotation list. Sale committee reserves the right to group similar species for ease in support buyer hauling.

In cases of physical impairment of the exhibitor OR a justifiable reason, another designated Junior Fair exhibitor may take the animal through the sale ring. Please notify the exhibitor's department advisor of the change in advance.

5. A fee of **\$10.00** is charged for market animals sold in the sale to cover livestock sale expenses. Expenses include cost of mailings, flyers, thank-you signs, livestock check-off programs, and Grand/Reserve grand Champion Livestock banners.

6. It is the responsibility of each member to contact potential buyers for their animals. The Junior Fair Sale Committee works to notify buyers, old and new, of the upcoming livestock sale and the youth involved. Buyers are essentially rewarding exhibitors above the market price for their hard work and involvement in the Junior Fair.

7. It is mandatory for all Junior Fair exhibitors who sell an animal to turn in a thank-you note written to their buyer and placed in an unsealed envelope affixed with a stamp. Thank-you letters need to be turned into the Junior Fair Office/Extension office no later than **September 15th**. Exhibitor livestock sale checks are mailed to each member as thank-you letters are received provided the buyer has paid his/her bill. The goal of the Junior Fair Livestock Sale Committee is to have checks issued within 30 days after the sale providing each buyer has paid his/her own bill and/or the member has turned his/her thank you note/s.

8. Any questions or discrepancies of rules regarding the Junior Fair Livestock Sale will be decided upon by the Henry County Livestock Sale Committee with approval of the Henry County Agricultural Society.
