Encouraging Your Children to Grow….
In Positive Directions
Building On The Parenting Skills You Have With …..

Active Parenting Workshops

The Ohio State University Extension Office of Henry County is offering Active Parenting Workshops. These video based programs are designed to encourage parents to learn new information about:
- Basic developmental stages
- Active communication skills
- Problem prevention techniques
- Discipline methods
- Positive encouragement skills
- Building your child’s self esteem
- Raising responsible children

1, 2, 3, 4 Parents is designed for parents raising children ages 1 to 4 years old.

Active Parenting NOW is designed to help parents with children ages 5 to 12 years old.

Active Parenting of Teens is designed to learn how to communicate effectively with teens. This program encourages better behavior, teaches responsibility and the use of positive discipline techniques.
